

Pairs Championship 2012 Report & Results

Pairs Championship 2012 at Woolston Manor & Country Golf Club, Chigwell, Essex on 9th June

SDGA led a strong party of 22 deaf golfers from East region and 4 deaf golfers from West region, The Woolston Manor Golf and Country Club was quite popular venue for Tottenham Hotspur FC and West Ham FC Professional players and St Johns DGS was hosting for SDGA Pairs Championship at Woolston Manor Golf Club and had over 26 SDGA golfers and few members who was blessed with nice weather at the clubhouse and golf course.

The Golf course had proved to be tough task tests of skills, stamina and patience even every golfers might increase their handicap by 0.1 or even more! I am sure that nearly every golfer enjoyed a magical day in a beautiful golf course with a lot of tough challenge, a lot of bunkers and tricky greens

I would like to say congratulation to Tony Starr and Steve Earle from Kent 2 DGS who won the SDGA Pairs Championship 2012 with 58 points. Also to Darren Upton and Ross Edwards from St Johns DGS Eagle who had 58 points for 2nd place. However they lost by best "Back Nine" against Tony Starr and Steve Earle.

Also congratulation to Ross Edwards for Longest Drive Winner and Mac Bradshaw for Nearest the Pin Winner

A successful event thoroughly enjoyed by members, wives, friends and one Caddy, even Golf Marshall told me that he had enjoyed with all of us!

Many thanks to Steve Earle, Paul Johnson, Rod Oaten, David Morris and Peter Gray for the support toward SDGA Pairs Championship 2012
