

## **SDGA's Open Championship 2013** **Bicester Hotel, Golf & Spa, Oxfordshire on 23<sup>rd</sup> – 25th August**

South Deaf Golf Association are organising their annual Open Championship, we have select the venue at Bicester Hotel, Golf & Spa. There were 40 people who attended the whole weekend, 22 Golfers and 18 partners, we organised one fun round and two rounds of Open Championship, total three rounds of golf and partners are planning for the weekend to Spas and Trip to Bicester Outlet Shopping with high designer clothes and etc. (Poor Hubby's credit cards to be burnt out)..

Friday Golfers played as a Fun Round to see the layout of the course and found it was testing for us because there loads of water surroundings. We have decided to raise the money for the charity if the golfers ball onto to the bunkers, water and out of bounds to raise the money for the Alzheimer Society, throughout the weekend.

Saturday, Golfers started their serious competitions as Open Championship. They played a hard game but enjoyable, Our Chairman Gerald Franks couldn't play because of his leg injury and used a buggy to oversee the players and timing (Like he is Shepherd and Golfer as Sheep!) In the Evening Gerald made the entrainment and the games as Catch the Phrase and Quiz.

Sunday, The Golfers starting their 2<sup>nd</sup> Round to end their competitions as end of the game they all were anxious for the results. Poor one of our Golfer had broken his two clubs in one weekend it's very unusual. We have raised the money for the Alzheimer total approx. £180 well done to all.

At the end of the weekend we all had an enjoyable time and said our goodbyes to each other. I would like to thank the people who were a great help during the weekend.
