

West Captain Report (Tim Dunne)

Hello golfer,

I would like to say a big thank you to the West team and East team for playing at Botley Park Golf Club.

We were very lucky with the weather and it was a beautiful day. Also both teams played very well.

AT LAST, the West team won and we got the trophy back to West. I would like to say thank you to the West team for supporting me on the day and I am very proud of them.

I have now stepped down as captain and I have picked the new captain for the West team for 2012 - Colin Wilson (M40)

I hope you give the same support to Colin as you all did to me!

East Captain Report (Michael Trimm)

First of all, I would like to say many thanks to John Lange who was the ex-captain for East team in 2010 and he give me the honour of being the captain for 2011/12. I was looking forward to supporting my team against the West team at Botley Park in Southampton. I was very impressed with the lovely golf course and the greens were in very good condition. Also the weather was gorgeous with blue skies. During the challenge match, I was sat next to West captain Tim Dunne on the buggy and support our teams. Some of the matches were very close and which gave them a good challenge and some pressure too! I would like to say congratulation to Tim and his team who won the challenge match. I am sure everyone enjoyed their day. I am proud of my team, they never gave up whether they were losing or winning until the end of the game.

I would like to say many thanks to Tim and his wife Thama for their good effort during the challenge day and evening presentation which was very well prepared.

I would like to say welcome to Colin Wilson who is the new West captain for 2012. I shall be looking forward to selecting my team again. I am sure the challenge match for 2012 will be very successful and an enjoyable day.

See you next year!

Michael Trimm
