

### **West Captain Report (Colin Wilson)**

What a lovely venue we were at...unfortunately the weather has not been very kind to us, but still a good turn out and glad that everyone has enjoyed it.

I must pass on my congratulations to all of the West Team players for fighting this challenge despite the downpour! but it has not disappointed us and thank them for supporting me as their captain on this day.... but more importantly news...winning the trophy...! I hope we can succeed this again next year!

Also inform you that Next Year's West Captain will be Martin Mackriell, I sincerely hope he will do well for us.

Happy Golfer  
Colin Wilson
