

### **East Captain - Paul Johnson Report.**

Last Year I was bit up in my mind which it might be my best year!! Cos I won iPad and become Captain for East Team and many thanks to SDGA and Michael Trimm.

As we playing at Bristol Golf Club and I was proud to our East players who will travel to Bristol for East Team.

Unbeliever half of good players cannot make on that day and I try to raise 18 players for East team therefore we have only 15 East players who can make it and glad West Team Captain agree to let me three players from M40 team and many thanks to let me have it, I am very proud of all East Players done well on that day.

First six Group East team won 5 straight away to win Challenge Match at the end of Game we East won 5 to West team 4.

I am very happy with East Team got it back from West Team after two years running Now we East will keeping running for more years.

As myself Captain of Team 2013 and I have selected for New Captain 2014 toward to Robert Slasor as I am sure he will doing well for East team for next Year.

I hope you all East Players will have same support to Robert as you did to me of 2013.

Many thanks for me to having East Captain this year and I enjoyed to Challenge with it.

### **West Captain - Martin Mackriell's Report.**

The Challenge match was held at Bristol Golf Club on Saturday 19th October.

I had selected 18 players from West teams but East Captain Paul Johnson unfortunately couldn't raise 18 so asked me to use some players from West which I agreed to let 3 players from West Midlands to play for East team.

The match was played in matchplay pairs with mixed weather of cool breeze and about 15 minutes of torrential rain in last few holes!

East team was winning easily with 5-1 up then West got some pride back to lose the match 5-4. Well done to East players and prevented West to get hat-trick as won in previous 2 years.

I have chosen new West Captain for 2014 Challenge match which is Gerard Beschizza. Good luck Gerard and hope get trophy back!!

**The results sheet found on next page....**

## **Results - WEST 4 EAST 5**
