

East Captain - Paul Johnson's Report.

For my second Year running of East Captain as I pass to Robert Slasor for East Captain last year as he move to West League and ask me again to find other Captain so I ask Dave Foot unfortunate he had to pull out for 2014 and Captain return to me so I happy to doing again this year.

Pick 18 players for 2014 is hardest as most of players cannot make it that day and just manage got 18 players (17 men and 1 Lady).

The course is beauty and challenge and clubhouse is welcome to our society for that day. I am proud of East Team won again for my second years running of Captain and I pass my Captain to Dave Foot for 2015 and hopeful he can play and win for our East Team again for 2015. Again many my thanks to SDGA for help and contact to players.

West Captain - Gerard Beschizza's Report.

I said white surrender to Paul Johnson 'congratulations East' I'm not disappointed but good fun, chats, drinks, enjoyed yourself!

Well done East was comeback to fight to win from 3-1 down then won 5.5 - 3.5 but sleepy west and I'm grrrr lol but I'm pleased won longest drive grrrr. Hope west will get trophy back and try to stop East will get hit trick on next year. Why I'm choose Neil Musslewhite he have long time for SDGA. Come on Neil to win for 2015.
